

SI360 is the first POS Platform designed to meet the unique needs of Senior living with the flexibility to elevate the resident & staff experience.

With SI360, you have the functionality of a traditional POS with seamless tracking of meal plans, overages, ancillary services, and guest transactions.

Flexibility at your Fingertips

✓ Intuitive User Interface

✓ Accurate Order Controls

✓ Fewer Button Clicks

✓ Scalable Platform

✓ Save & Store Offline Mode

✓ Seamless Integrations with other Technology Platforms

✓ Effortless Meal Plan and Transaction Management

SI360 is managed by ServingIntel's Cloud Control and fully integrates with Online Ordering and QR Code Ordering.
